Currently, IDPH is reporting a total of 126,890 cases, including 5,864 deaths, in 101 counties in Illinois. The age of cases ranges from younger than one to older than 100 years. Within the past 24 hours, laboratories have reported 21,155 specimens for a total of 1,022,074. The preliminary seven-day statewide positivity for cases as a percent of total test from May 30–June 5 is 5.5%.

\*All data are provisional and will change. In order to rapidly report COVID-19 information to the public, data are being reported in real-time. Information is constantly being entered into an electronic system and the number of cases and deaths can change as additional information is gathered. Information for a death previously reported has changed, therefore, today's numbers have been adjusted. For health questions about COVID-19, call the hotline at 1-800-889-3931 or email [dph.sick@illinois.gov](mailto:dph.sick@illinois.gov). More information about COVID-19 can be found on the IDPH website at <http://www.dph.illinois.gov/covid19>.
