### **Public Health Officials Announce 724 New Confirmed Cases of Coronavirus Disease**

**SPRINGFIELD** – The Illinois Department of Public Health (IDPH) today announced 724 new confirmed cases of coronavirus disease (COVID-19) in Illinois, including 23 additional confirmed deaths.

- Bureau County: 1 male 60s
- Cass County: 1 female 90s
- Cook County: 1 female 40s, 1 male 40s, 1 female 50s, 1 male 50s, 1 male 60s, 2 females 70s, 2 males 70s, 2 females 90s
- Kane County: 1 female 60s, 2 males 70s
- Lake County: 1 female 70s, 1 female 90s
- Rock Island County: 1 male 90s
- St. Clair County: 1 male 80s
- Tazewell County: 1 female 90s
- Winnebago County: 1 female 70s, 1 female 80s

Currently, IDPH is reporting a total of 143,185 cases, including 6,923 deaths, in 101 counties in Illinois. The age of cases ranges from younger than one to older than 100 years. Within the past 24 hours, laboratories have reported 31,069 specimens for a total of 1,602,965. The preliminary seven-day statewide positivity for cases as a percent of total test from June 23 –June 29 is 2.6%.

Following guidance from the Centers for Disease Control and Prevention, IDPH is now reporting both confirmed and probable cases and deaths on its [website](#). Reporting probable cases will help show the potential burden of COVID-19 illness and efficacy of population-based non-pharmaceutical interventions. See [CDC definition](#) of a probable case on its website. IDPH will update these data once a week.

\*All data are provisional and will change. In order to rapidly report COVID-19 information to the public, data are being reported in real-time. Information is constantly being entered into an electronic system and the number of cases and deaths can change as additional information is gathered. Information for deaths previously reported has changed, therefore, today's numbers have been adjusted. For health questions about COVID-19, call the hotline at 1-800-889-3931 or email [dph.sick@illinois.gov](mailto:dph.sick@illinois.gov).
